

Lord Jesus, I give You my life.  
I invite You to have Your way in me.  
Take me and break me. Shake me and make me.  
Fill me and spill me. Change me and rearrange me.  
But whatever You do, Lord...don't leave me the same.  
Spirit of wisdom and revelation, I welcome Your work.  
Open my eyes so I can see...my ears so I can hear...  
I choose truth over comfort, challenge over complacency.  
Lord, make me forever Yours.  
And most of all, make me like You.  
Amen.
